### Mud City Adventures Original Day Program

Going into its 24th year, Mud City is the Stowe area's original adventure day camp. Yet as much as we have explored the local hills, lakes, and streams, every day is still a new adventure. Activities include canoeing/kayaking, rope swinging, swimming hole hopping, rock climbing, trekking, river safari and tubing, adventure tool creation, fire building, mountain biking, arts and crafts, sailing and more all while learning about the regional flora and fauna. Confidence building is key in our non-competitive "challenge by choice" environment.

### Weekly Thursday Overnight Camp

Stick around after Thursday's adventure or show up just for the campout. We usually head to one of the nearby State Parks and chef up a meal over the campfire before some twilight fun in the outdoors and settling down in the tent or lean-to. Wake up for camp style breakfast and back to Stowe in time for Mud City's Friday adventure.
